Business & Individual Opportunities

Memberships are one of the ways that businesses and individuals that are less impacted by the Pandemic can support not-for-profits. Many businesses and individuals are fortunate to not have suffered extreme loss during the Covid-19 restrictions, and you have the unique opportunity to benefit from a standard membership, or even more robust, consider one of the limited museum **Patron Memberships** or a tax-deductible contribution.

The National Neon Sign Museum would like to partner with you during this time to offer a special Patron Membership package. Each one-year membership includes important benefits that can provide a valuable extension to your business or personal needs during the year.

The membership includes (1) ½ day rental (4 hour event with 2 hour set up/clean-up) for a private event of up to 50 people (or Covid current standards) during a time of choice, from 9am-9pm/Monday-Saturday, (following standard NNSM event rental agreement policies), that doesn't conflict with our regular business, which is currently by special arrangement only on Thursday, Friday, Saturday. This includes access to the classic 46 seat theater (additional 6 bench seats), ballroom event space, and main floor galleries. In addition, receive 10

guest passes that can be given away or used at your discretion, along with 8 holiday or special event passes. Promote your business or a charity of choice through our web interface "Supporters" section with a live link.

Email for more details.

MEMBER BENEFITS

Value & Investment

Start enjoying more than **\$2000** of benefits today for only **\$1,250**.
